

CHFBC CADET CLUB #9050 YEAR 2023-2024 REGISTRATION

Cadets is for boys in Grade 1 to 8

Welcome to the 2023-2024 Cadet season. We have an exciting year in store and are excited about what is to come. We welcome you and hope you and your son quickly grow to enjoy cadets.

If your child is going to be a “first time cadet”, please take the time to fill out the short form below as well as the completed registration form attached. We would recommend a size fourteen shirt for your child. The shirt will be large at first, but as your child grows, the shirt should fit him through the entire program, saving you from buying another one and re-sewing the badges. If, however, you prefer to have the shirt that fits your son immediately, please indicate this on the registration form. Sizes range from 10 to 18.

We will generally keep you informed of events during the season through e-mail, however, if you do not have email please let us know and we will call you or send information home with your son.

We have a good team of men who volunteer to be counselors for this program. We will place your son in the cadre that suits him best. Please take the time to talk with your son’s counselor or myself throughout the year if you or your son have any questions, concerns or requests.

It should also be noted that during Friday night meetings the cadets would occasionally leave the church to work at a member’s house, go to the fire hall, or possibly go sledding or play ball hockey. In addition to this, we may take part in several region wide cadet events where we travel to different places. By signing the permission slip, you also allow these activities to take place. We will inform every Cadet and Parent of the dates and details of these events a couple weeks before they take place.

Please fill out the registration form attached below. Please complete the registration as soon as possible and bring payment to the first night of Cadets. We understand that it may be difficult for some families to pay. If this is the case, please contact me, Daniel Heersink and the church can cover the costs for your son. We do not want to see boys turned away because of the money.

We would appreciate having these forms returned as soon as possible. THANK YOU!
