

CHFBC GEMS CLUB YEAR 2023-2024 REGISTRATION

GEMS is for Girls in Grade 1 to 8

Welcome to the 2023-2024 GEMS season. We have an exciting year in store and are excited about what is to come. We welcome you and hope you and your daughter quickly grow to enjoy GEMS.

If your child is going to be a “first time GEM”, please take the time to fill out the short form below as well as the completed registration form attached.

We will generally keep you informed of events during the season through e-mail, however, if you do not have email please let us know and we will call you or send information home with your daughter.

We have a good team of women who volunteer to be counselors for this program. We will place your daughter in the group that suits her best. Please take the time to talk with your daughter’s counselor or myself throughout the year if you or your daughter have any questions, concerns or requests.

It should also be noted that during Friday night meetings the groups would occasionally leave the church to work at a member’s house, go to the fire hall, or possibly go sledding or play ball hockey. In addition to this, we may take part in several region wide GEMS events where we travel to different places. By signing the permission slip, you also allow these activities to take place. We will inform every GEM and Parent of the dates and details of these events a couple weeks before they take place.

Please fill out the registration form attached below. Please complete the registration as soon as possible and bring payment to the first night of GEMS. We understand that it may be difficult for some families to pay. If this is the case, please contact me, Kate Heersink and the church can cover the costs for your daughter. We do not want to see girls turned away because of the money.

We would appreciate having these forms returned as soon as possible. THANK YOU!
